COTTON
FACE MASKS**

REUSABLE COTTON FACE MASKS

Made from two layers of blended cotton, our non-medical face masks are soft, breathable & comfortable to wear. Mask is machine washable. For the best fit, wash your mask before wearing. Mask helps reduce exposure to dust, allergens, germs and bodily fluids; however, mask is not a respirator and will not eliminate the risk of contracting disease or infection.

PRODUCT SPECIFICATIONS

COMPOSITION:	2 layer anti-microbial cotton
ITEM:	Reusable, washable 2 ply cotton facemask one size fits most
MATERIAL:	Cotton Blend
QUANTITY:	Poly Bag 10 Packs

MADE FOR COMFORT

Made with washable breathable cotton blend material that comfortably fits the face.

LIGHTWEIGHT DESIGN

Two layers of cotton basic air filtration, built with a lightweight design for comfort.

MEETS CDC CLOTH MASK STANDARDS

Cloth face coverings are recommended as a simple barrier to help prevent respiratory droplets from traveling into the air and onto other people when the person wearing the cloth face covering coughs, sneezes, talks, or raises their voice.
